Key Questions include but not limited to:

What's working well or fruit-bearing? What is not working well? What needs to go? What needs to stay? What needs to improve? What needs to change? Where are we now? Where do we want to go? What will we look like in the next 3-5 years OR 25 years?

How do we build a Faith Community of the future with Hope and Resilience?

How do we reach out to all generations and more importantly to the present and future generations?

Key Words: focus, flexibility, future, consensus, solutions, unity, resilience, growth, mission, people, outreach, accountability, responsibility, worshipful work

A Future with HOPE - while celebrating the 25 years of achievements, LWC is committed to move forward with a clearly defined vision, purpose and mission?
